Mail the document to [Yug Saraswat \(12bch040@nirmauni.ac.in\)](mailto:12bch040@nirmauni.ac.in)

Last Date of Submission : 7th Feb 2015.

File type: Word or pdf, preferably pdf.

1. Include your Team members name and Name of the college
2. The language of the essay should be crisp and include all the reasons for supporting this technology. Word length is 1000-2000 words.
3. Ensure there is 0% plagiarism. Essays with even a small percentage of plagiarism will be rejected immediately.
4. Cover as many possible areas as you can. Do not focus on environmental aspects only. Expand your scope to the government functioning, resource availability, effect on the livelihood of people.
5. If selected, you will have to sell this technology to the judges, convincing them that this source of energy will be useful. You can make a presentation showing statistics or a poster or a video to support your stand. (Video has to be self-made and no copying will be entertained).
6. Adhere to the word limit and selected participants will be sent confirmation soon.
